## PLANNING SECTION

### Training

<b>Training Hours Offered</b>	26
<b>Personnel Training Hours</b>	189

## Community Risk Reduction

Event	Date	Personnel	Participants
"Super Hero Sunday" CPR Class	February 12	3	14
Music in the Park Meeting	February 23	1	NA

## CPR Training

- The people who took the "Super Hero Sunday" CPR class also toured the station and were educated about the size of the department, equipment and personnel.
- Working with the soccer association, softball association, and baseball association for getting CPR/AED and first aid training for coaches.
- Working with two businesses – Schwerman Trucking Company and Random Acts of Kindness – for CPR/AED classes.
- Looking into grants for new CPR training equipment to replace current, outdated equipment

## Community Paramedicine

- Discussing the needs of our elderly population with Karen Baron in her role as a Meals on Wheels delivery driver. Working on a possible ride-along.
- Developed "Vial of Life" paperwork. This is a medical information form that provides critical information to EMS should we respond to someone's house. Working on a deployment plan.
- Continued relationship with the Sylvania/Springfield's community paramedicine program
- FF/P Becky Rosebrock enrolled in several free classes through the U.S. Fire Administration to gain more understanding and tools

## Community Risk Reduction

- Working with the American Red Cross on a smoke alarm program
- Currently, three personnel are registered for a car fit technician class on April 18th in Bowling Green through Safe Communities of Wood County. The Car Fit Technician class gives the tools to individuals to help the elderly population with safe driving, from adjusting the seat to hand bars to getting help. Giving the elderly community safe driving tips will help benefit the area and hopefully decrease car accidents.
- Exploring the possibilities of a Safe Kids program with car seats.
